Re: Consent to Ruirside Developments Limited to Lodge a Planning Application on a site at Rathborne, Dublin 15.

To Whom It May Concern

I refer to the above intended planning application, the site of which includes a portion of lands in the control of Castlethorn Construction Unlimited Company (Castlethorn) involving lands within the carriageway of Rathborne Avenue, including a strip now used as a cycle route.

I wish to confirm that Castlethorn consents to the inclusion of this land in our control within the above referenced application site for the purposes of submitting a planning application for amendments to an already permitted residential development. We note the amendments do not relate to the lands in our control.

Yours sincerely,

Castlethorn Construction UC
